Audition Information:

Audition Dates: February 3rd, 5-9pm.

Prepare: Come prepared with music from the show. No need to bring sheet music. We may ask you to sing something else from the show, so a general familiarity with the music is encouraged.

Atmosphere: Auditions will be dynamic with live microphones, music through our house system, and stage lighting to capture the concert venue atmosphere. Be ready to rock!

Casting: We encourage anyone to audition, regardless of background or traditional theatre experience. We are exploring creative/non-traditional casting. If you have a unique interpretation for a character, we want to hear it! I.e., You are a soprano voice and want to audition for Caiaphas, show us what you got! We're looking to cast 25-30 individuals for this production.

Video Auditions: We are accepting video auditions! Please slate your name, let us know what character(s) you are interested in, and sing a cut from the show. Submit video to publicity@littletheatre.net by February 2nd.

Rehearsal Information:

Rehearsal Period: The rehearsal process will be truncated into 2 to 3 weeks, so performers are expected to come into the process off-book and ready to dive into the production.

Schedule: Be prepared for a rigorous rehearsal schedule that will include dates in the 2 weekends leading up to the show. Exact times will be determined with consideration of cast schedules.

About the Show:

"Jesus Christ Superstar" is a beloved rock opera that has captured the hearts of audiences for decades. Whether you grew up loving the "brown album" or you're a Sir Andrew Lloyd Webber rock opera fanatic, this is your opportunity to be a part of an organic rock experience.

Important Notes:

Due to space limitations and the intense rehearsal schedule, we may not be able to cast everyone who auditions. We do however encourage everyone with a passion for the show to give it their all and come rock out at auditions!
